Company Overview

Glowing its shining name in the world of lighting, SIS Die Casting has proved its affluent and mighty presence with every step and work being considered as astounding, progressive and setting benchmarks. Providing world class lighting solutions with friendly but disciplined services, SIS Die Casting is self-motivated to bear the flags of people's increasing expectations and love.

Accessories

Die Cast Material	: Aluminium ADC-12
Gasket	: Silicone Molded
Hardware	: SS Screw 202
Powder Coated	: High Quality Branded Powder
Glass	: 4mm Toughened with Ceramic Print
Reflector	: SMD PC
Powder Coating	: Electric Furnace

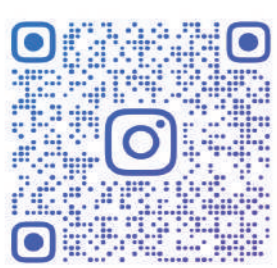

Pressure Die Casting Machine

Powder Coating Systems
